SENIOR SINGLES TOURNAMENT

1 This will be a USBC certified tournament for senior bowlers who are members of the Northern Bluegrass USBC Bowling Association. Division Classification will be determined **by the age of the bowler at the time of bowling.** It shall be each bowler's responsibility to verify their age division. Incorrect classifications will disqualify their scores if submitted average is lower than actual average, thereby resulting in a higher handicap. Prize monies shall be based on a submitted average if it is higher than actual average. Corrections in average can be made up to the completion of the series, if the tournament manager has given permission to do so. USBC Rule 319 A-2 shall apply.

2 Northern Bluegrass rules and regulations shall govern this tournament. Each bowler must present their USBC membership card prior to the time of bowling.

3 Entrants may compete only once.

4 This shall be a singles, three game handicap tournament with the winner being determined on the bowler's actual score plus handicap based on 90% of 220.

5 The entering average for each bowler participating in the tournament shall be used for handicap purposes as follows:

5A Bowler's highest Year Book average for the 2019-2020 season based on 21 or more games rolled in any sanctioned league. An average established in a summer league shall be accepted as official, provided the bowler does not have an acceptable regular season average.

5B If no 2019-2020 average, use highest current average based on a minimum of 12 games by tournament bowling date.

6 **Prize Ratio** shall be one for each five entries in each division. In the event of a tie for first place in any division, the bowler with the highest game with with handicap will be declared the champion. If a tie still exists, the second highest game with handicap will be used, etc. In the event of a tie for other places the monies for the tied places will be combined and divided equally.

7 The Board of Directors of the NBBA shall have the power to hear and act on any and all protests pertaining to this tournament.

8 **There will no longer be separate divisions for Men and Women. Women and Men will compete against each other in the same age division.**

9 There must be 15 or more paid entries by cut off date to hold the tournament.

10 **Covid 19 restrictions are in place at the bowling alley. Masks are required to enter and must be worn in all areas except the actual bowling area. Social distancing is encouraged.**
